01 THE CONTRACT

The whole contract fits on one page. Read it before you talk to us.

Seven clauses in plain language, each matching its wording in the order form, which prevails once signed.

What you get
20 closing-ready meetings in every 30-day delivery month, after a free 14-day setup, with a brief before and a scorecard after each.

What you pay
USD 5,500 (SAR 20,625) a month in advance, excl. VAT. No setup fee, no commission on the meetings plan, no minimum term.

What we guarantee
At least 18 of 20 qualify. Every one that doesn't: USD 275 back or a replacement.

Clause	Title	What it means
1	**What counts**	Five written criteria: the right company; a decision-maker attends; the need in their own words; 20+ minutes held, with your representative invited; net-new to you.
2	**Your two days**	Accept or object within 2 business days, naming the criterion. Silence means accepted. A Head of Service outside your account team decides within 2 business days, from the recording.
3	**The remedy**	Per unqualified or missing meeting: USD 275 (SAR 1,031) within 10 business days, or a replacement within 15 business days, your choice. Never more than the month's fee.
4	**The 90% floor**	If fewer than 18 of the 20 qualify, you may cancel that day, with no notice and no fee.
5	**Price and billing**	USD 5,500 (SAR 20,625) a month in advance, excl. 15% VAT where it applies. Data, tools and telephony included.
6	**Cancel any month**	In the portal or in writing, before your next billing date. No fee. The current month runs to its end with its full guarantee.
7	**Where our scope ends**	At the meeting. You run the sale and close the deal, unless you add the full sales process. We guarantee meetings, not revenue, and we never sign on your behalf.
